By signing this I acknowledge and understand that the product/service I am buying may void my vehicle's warranty and is only intended for "Off Road/Competition Use." I understand that the "basemap" provided is a "close approximation" of the fuel and ignition timing maps for the motor/setup details I provide. I am aware that the setup should be tuned as soon as possible and the basemap is designed to get me to a tuner. The Buyer will not hold any liability against XENOCRON and will hold harmless XENOCRON from any liability as a result of selling, purchasing and/or installing product.
